

Junior Auxiliary of Abbeville

Care today. Character Tomorrow.

Would you like to volunteer your time and energy to help our community? If so, you found the right place!

So what is Junior Auxiliary?

Junior Auxiliary is a national non-profit organization that encourages members to render charitable services which are beneficial to the general public, with particular emphasis on children.

JA of Abbeville was founded in 1997 by 5 local women who took the initiative and volunteered to be the first officers. Our Chapter is, first and foremost, a service organization created to improve our community through charitable service. Through our dedication and service, we have also become an organization of sisters and friends.

The national symbol for all Junior Auxiliaries is the five point crown.

Each of the points on the crown are equal and represent a different aspect of Junior Auxiliary: Charity, Youth, Health, Service and Leadership.
